ATTORNEY CLIENT COMMUNICATION - ENFORCEMENT CONFIDENTIAL - DELIBERATIVE

Hi Team - Thank you to everyone for the work put into crafting the draft order on consent with DuPont and Chemours. Having received no further comments/edits on the draft order after yesterday's revisions, I have accepted all edits and am attaching a draft order and compare version to this email. I think the draft is ready for R3 and R5 management review and concurrence. R5 will begin that review this afternoon, and I plan to inform R5 management that the draft has been reviewed by OGC, OECA, OW, and R3 staff and point out that substantive edits/additions to the draft occur in paragraphs Ex. 5 Attorney Work-Product (AWP), Attorney-Client (AC), Deliberative Process (DP) I will be in touch about any edits/concerns R5 management raises during its review, and I hope to hear from R3 if any concerns/edits are raised by R3 management. Thanks-Jacquie

ATTORNEY WORK PRODUCT - ATTORNEY CLIENT COMMUNICATION - DELIBERATIVE

Hi Team - Andy and I discussed a few edits to the draft order this afternoon and want to make sure you all (but especially the lawyers) have one last chance to review those edits before routing for review in R3 and R5 management.

**Ex. 5 Attorney Work Product (AWP), Attorney-Client (AC), Deliberative**

Ex. 5 Attorney Work-Product (AWP), Attorney-Client (AC), Deliberative Process (DP) I did not receive any edits or comments from other team members today, so if I do not hear back by tomorrow at 10 am, I will send a link to a draft final order for R3 and R5 to route for management review/concurrence before starting negotiations with DuPont/Chemours. Thanks-Jacquie
